

# OPERATIONALIZING MICHIGAN' S TRAUMA SYSTEM.....

---

## A Year of Progress

Eileen Worden  
State Trauma Manager  
Michigan Department of Community Health  
MCA Conference  
October 27, 2013

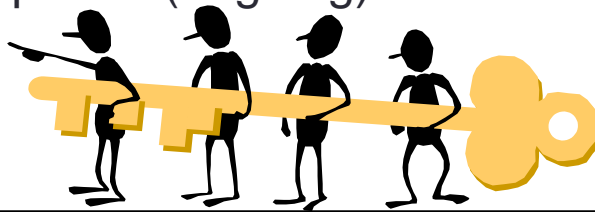

## Objectives

- Overview of the Regional Trauma System structure and implementation
- Regional Trauma Coordinators
- STAC & EMSCC
- Regional Trauma Network Applications
- The “To Do List”

## Trauma System

Key components in place:

1. Funding
2. Registry
3. Regional Trauma Coordinators
4. STAC appointments
5. Plan development (ongoing)

## The Rule again.....

- Develop a statewide process to establish regional trauma networks comprised of medical control authorities that integrates into existing Emergency Preparedness Regions.

## System Components/Partners that drive the Plan

### Regional Trauma Network

Advisory Council  
Subcommittees  
Plan  
Data  
Communication

Governance/ Leadership, Injury prevention, Access to the System, Communication, Medical Oversight, Pre-Hospital Triage Criteria, Trauma Diversion Policies, Trauma Bypass Protocols, Regional Trauma Treatment Guidelines, Regional Quality Improvement Plans, Trauma Education

### Medical Control Authorities

Active participation in network and plan development  
Pre-hospital providers, protocols  
See plan above  
Data  
Communication

### MDCH-Crime Victims, EMS and Trauma Division

STAC  
EMSCC  
State positions  
Plan  
Designation/verification/appeals  
Level III  
Level IV  
Approvals of plans  
Data  
Communication

Efficient  
implementation  
Decrease in  
morbidity/mortality  
Cost effective  
implementation  
Incorporate  
national standards  
Availability of  
funds

## Regional Trauma Network

All inclusive

Describe the existing resources

Active

Organizational structure defined

Performance improvement plans described

Participation is key.....

30,000 foot view.....

Participants need to see the whole picture

## Regional Trauma Network

Describe the existing resources within the region:

Michigan Department of Community Health

Michigan Regional Trauma Resources  
Region 2 South

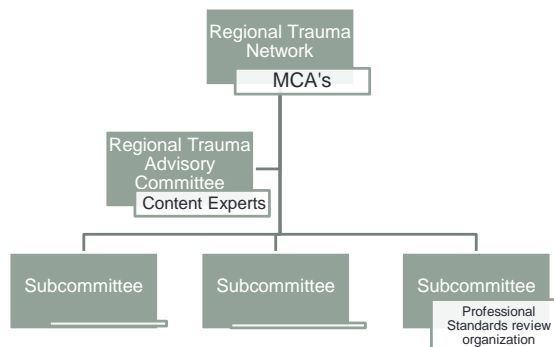

Report Prepared by Wayne Snyder  
Region 2 South Trauma Coordinator  
August 2013

## The Regional Trauma Network

Leadership and Governance:

Organizational Chart

## Regional Trauma Network

Organizational structure is defined and disseminated:

- 1.) Leadership
- 2.) Governance- structure, membership (including RPSRO and subcommittees)
- 3.) Activities- meetings, agendas, minutes, reports
- 4.) Reporting responsibilities- outcomes, evaluation, communication structure within region and to other partners  
Reporting template developed

## Regional Trauma Advisory Committee

**Established by the Regional Trauma Network**

**Comprised of:**

- ❖ MCA personnel
- ❖ EMS personnel
- ❖ Life Support Agency representatives
- ❖ Healthcare Facility representatives
- ❖ Physicians
- ❖ Nurses
- ❖ Consumers

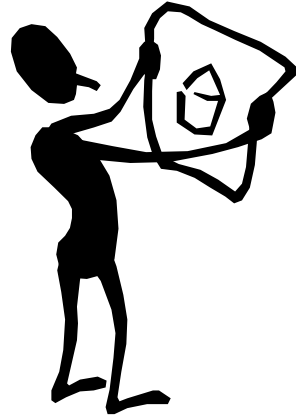

**Functions:**

- ❖ Provide leadership and direction in matters related to trauma system development in their region
- ❖ Monitor the performance of trauma agencies and healthcare facilities within the region, including but not limited to the review of trauma deaths and preventable complications

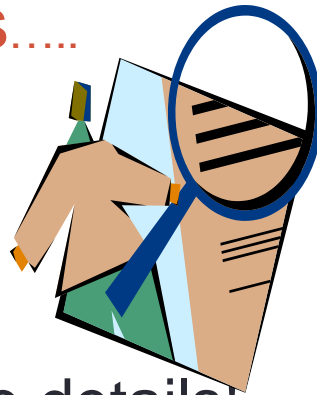

## Regional Trauma Network plan

Includes work-plans which address:

- Injury prevention
- Access to the system
- Communication
- Medical oversight
- Pre-hospital triage criteria
- Trauma diversion policies
- Trauma bypass protocols
- Regional trauma treatment guidelines
- Regional quality improvement plans
- Trauma Education

For all good plans.....

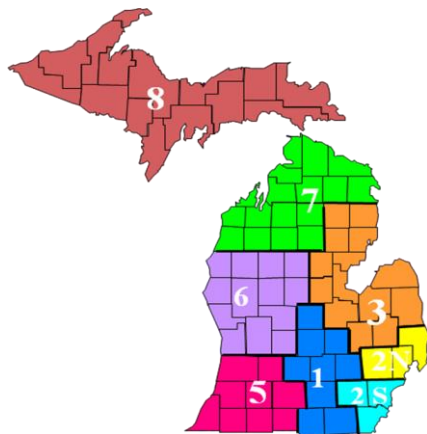

The devil is in the details!

## Regional Trauma Coordinator

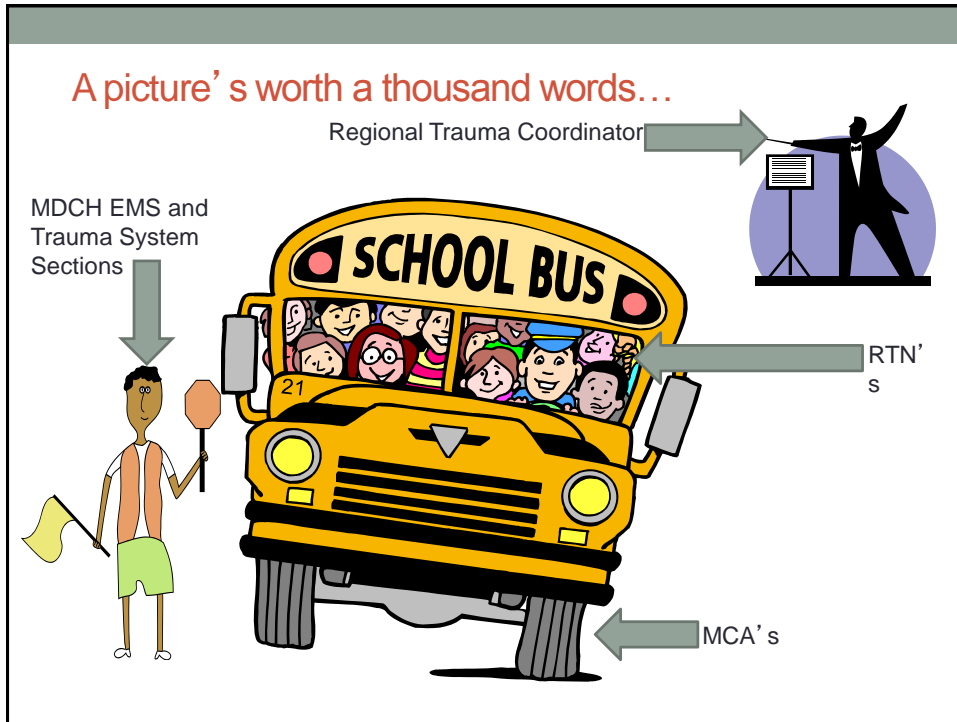

- ❖ Facilitate Regional Trauma Network activities including supporting plan development and dissemination.
- ❖ Point of contact for Regional Trauma Network.
- ❖ Assists in monitoring and evaluating network activities, work-plans and performance improvement.
- ❖ Plans, coordinates and evaluates education needs.
- ❖ Supports and facilitates community education.
- ❖ Serves as MDCH representative on all committees.
- ❖ Liaison for Regional Trauma Network and other programs and initiatives.

## Regional Trauma Coordinators

- Region 8: Vacant
- Region 7: Deb Detoro-Fisher
  - [Detoro-fisher@michigan.gov](mailto:Detoro-fisher@michigan.gov)
- Region 6: Diana Ropele
  - [ropeled@michigan.gov](mailto:ropeled@michigan.gov)
- Region 3: Bob Loiselle
  - [loiseller@michigan.gov](mailto:loiseller@michigan.gov)
- Region 1: Theresa Jenkins
  - [jenkinst4@michigan.gov](mailto:jenkinst4@michigan.gov)
- Region 2 North: Harvy Holland
  - [hollandh1@michigan.gov](mailto:hollandh1@michigan.gov)
- Region 2 South: Wayne Snyder
  - [snyderw@michigan.gov](mailto:snyderw@michigan.gov)
- Region 5: Bob Hale
  - [haler1@michigan.gov](mailto:haler1@michigan.gov)

## Statewide Trauma Advisory Committee- STAC

- Advisory to the Emergency Medical Services Coordination Committee (EMSCC) and the Michigan Department of Community Health
- 10 Members prescribed by Statute
- Recent appointments have been made by Director Haveman through 2017
- Reviews the Regional Trauma Network Applications and makes recommendations to the EMSCC and the Department

## Regional Trauma Network Applications

- Format based on 2004 HRSA *Model Trauma System Planning and Evaluation*
- Regions asked to rate current level of progress towards an accountable, coordinated, regionalized trauma system
- Expectations are that the system is just developing formally in each region

## Application Packet includes:

- Regional Trauma Network governance outlined
- Leadership identified
- Bylaws
- Work plan including SMART objectives for each indicator
- Organizational Chart
- Regional Trauma Resources

## To ensure the plan is approved....

- Make sure all components have been addressed
- Objectives are SMART, reasonable, measureable and fit
- Consider the details
- Plan short term and long term
- Consider your unique regional characteristics and issues
- Is it operational?

## The “TO DO” List

- Network Appeal Process
- Data Use Agreements
- Designation
- State Trauma Registry Re-training
- Work plan implementation
- Trauma Education
- Ongoing Collaboration with Partners
- Funding
